

## NeXtep designer wiki

Written by Administrator

Friday, 10 September 2010 12:51 - Last Updated Thursday, 16 September 2010 07:21

---

We created a wiki place containing all the information you will need to get started with neXtep designer. Any pre-existing documentation will progressively be integrated in this wiki.

For now you will find :

- Installation information
- Technical overview
- Getting started tutorials

You now have a direct link to this wiki from the main toolbar menu or you can jump by following this link :

- [neXtep designer wiki](#)
